responsibility of investigating into offences related to terrorism. This may be accomplished by inducting officers having specialization in different aspects of financial investigation for short periods, say three to six months. A protocol for achieving this may be arrived at between the concerned Union state Ministries/Departments to facilitate such capacity building and strengthening the effectiveness of the counter-terrorist measures.

13. (**Para** 7.2.6) **Role of Citizens, Civil Society and Media in Combatting Terrorism**

- Education

a. NCERT has proposed a scheme to encourage and support institutions, voluntary agencies and NGOs etc. engaged with school education for promotion of Education for Peace within the country. These initiatives need to be encouraged with necessary funds and other material support.

b. The feasibility of extending the scheme to religious schools also needs to be examined.

18. (Para 7.4.7) Role of Citizens, Civil Society and Media in Combatting Terrorism

- Media

a. The potential of media in spreading education and awareness needs to be tapped to build the capacity of citizens in dealing with any public disorder, particularly terrorist violence.

b. Media should be encouraged to evolve a self regulating code of conduct to ensure that publicity arising out of terrorist attacks does not help terrorist in their anti-national designs.
